» **[6.1 Burnaby Lake Overpass - Update](#)**

City Council approved the designs for the Burnaby Lake Overpass project, with development slated to begin by the end of September 2023.

» **[6.2 Burnaby District Energy \(DE\) Policy](#)**

City Council adopted the Burnaby District Energy Policy, providing the city with a framework to secure building requirements for a future District Energy system in Burnaby. City staff will continue advance work on a proposed Burnaby District Energy Utility that would connect to Metro Vancouver's Waste to Energy Facility, providing space heating and domestic hot water services while reducing the City's carbon emissions.

» **[6.3 City Hall Site Survey Results](#)**

City Council received an update from staff on the results of a recent public engagement campaign regarding the development of a new City Hall. Council voted to direct staff to develop plans for a new City Hall campus at the current City Hall location at Deer Lake.
