

Application for School Program Subsidy

The Burnaby School District #41 has had a long-standing partnership with the Burnaby Art Gallery to engage Burnaby students and teachers in the visual arts. Burnaby School District funds allow the gallery to offer full program coverage to a limited number of qualifying SD41 classes (approximately 10 classes). The goal of this subsidy is to assist classes who would otherwise be unable to participate in gallery programs. Selections will be made by SD41 and the Burnaby Art Gallery.

Burnaby Art Gallery School Programs 2017-2018

For their application, teachers can select from the following program types:

1. **IN THE GALLERY: Gallery Tour & Studio Programs** – Students are invited on an instructor-led tour through the current exhibit, followed by a hands-on art studio workshop in the Fireside Room. Participants are challenged through cultivated learning, close observation and thoughtful discussions about the art featured in the gallery exhibit and in the studio. Key concepts and new artistic modes of creation come to life! Suitable for grades K-12. (Schools are responsible for transport to and from the BAG).
2. **IN YOUR CLASSROOM: Outreach Workshops** – Gallery educators bring original artwork and supplies for art activities into your classroom! Lively discussions spark students' interests and inspire a creative exploration of art techniques and material. A minimum of 2 classes need to be booked for this. A minimum of **two classes** would need to be booked for and outreach instructor visit. You can apply for subsidy for all or some of the classes. Suitable for grades K-12.
