# Enjoy our Childminding Services!

## About our Childminding Centres

Our friendly staff look forward to sharing their wealth of experience with your child while providing excellent care.

Our childminding services are for newborn babies to children five years of age.

Babies are welcome—either sleeping or awake! A quiet carpeted area for pre-mobile infants is provided.

Free play options include a variety of toys, puzzles and books which stimulates play and provides enjoyment for all.

Older children can have fun with the craft table, games and age appropriate toys. Seasonal and themed activities are included for your child's enjoyment.

## Health & Safety

The front door of childminding is secured by a locking system. In order to ensure the safety of all children, please check that only your child leaves with you! Please ensure the door lock is secure when entering and exiting the room.

Help us provide the highest possible quality care for your child by ensuring that staff are continually updated on information regarding allergies, health care or behavioral challenges.

When your child is ill, please do not bring him or her to the childminding centre. We are equipped to care for well children only.

## What to Bring & What to Leave at Home

Most youngsters enjoy eating a snack during their stay at the childminding centre. We encourage you to bring a nutritious snack and a drink each time your child visit. Due to the risks associated with allergies to nuts, please do not bring any nuts or nut products into the room. Please keep us informed of any changes that occur in your child's dietary needs.

Childminding is a weapons-free zone. War toys are not allowed. We also encourage you to leave your child's favourite toys at home unless he/she is willing to share them with the other children.

To eliminate any confusion, please label lunch boxes and other personal items that arrive with your child.

## Childminding Rates

September 3, 2019-August 31, 2020  
Drop-in      \$5.00/hour  
Punchcard    \$45.00/10 one-hour visits
