Preschool Music Guidelines

For programs 5 years and under without parent participation

- ✓ Please send your child to class with a water bottle.
- ✓ Sign our child in and out on the Daily Sign In Form.
- ✓ Fill out a Participant Profile Form if you plan on leaving the building.
- ✓ All children participating in preschool programs must be able to use the toilet independently.
- ✓ Inform your instructor (if you have not already spoken with staff) of any allergies or behavioural challenges—or anything that you think would be handy for us to know!
- ✓ Please try to arrive 5 minutes early to give your child time to settle in and prepare for class.
