## **Prismatics: LGBTQ Youth Explore Community**

**Shauna Paull** | 15-22 years

A welcoming forum for LGBTQ youth and our allies to consider relevant experiences, conversations, histories and artwork that support visibility and belonging. In a relaxed and open environment youth are invited to exchange ideas about identities, gender politics, and inclusiveness in a world that can feel exhilarating, vulnerable and sometimes frightening. Circle up with others to share what makes community authentic for us now.
