

Multicultural Policy

1. Burnaby recognizes that it is a culturally diverse society in which multiculturalism is a source of enrichment and strength.
2. Burnaby supports equality and the rights of all citizens to access Municipal services.
3. Burnaby promotes understanding, sensitivity and positive attitudes towards people of all ethnic origins, amongst Municipal staff and in the community.
4. Burnaby does not condone discrimination on the basis of race, national or ethnic origin, color or religion.
5. Burnaby promotes the participation of citizens from all ethno-cultural backgrounds in the development of Municipal bylaws, policies, programs and services.
6. Burnaby reflects these multicultural values appropriately in Municipal bylaws, policies, programs, and promotion and delivery of service.
7. Burnaby encourages and assists staff, boards, commissions and committees of the Municipality to meet these multicultural objectives in the performance of their duties.

Original Multicultural Policy adopted by Burnaby City Council on 1986 April 21
