

## **Citizens' Crime Watch**

**Burnaby Citizens' Crime Watch** is a volunteer-based program in which volunteers act as an extra set of "eyes and ears" by observing and reporting suspicious activity to the RCMP.

Crime Watch volunteers perform regular patrols of the city, and check for stolen vehicles, stolen plates and suspicious activity. Using information from ICBC on stolen vehicles, Crime Watch volunteers check suspicious vehicles to see if they are stolen. All information is then passed on to the Burnaby RCMP for follow-up.

Application forms for the Crime Watch program can be picked up at the Burnaby RCMP Detachment at 6355 Deer Lake Avenue or at any of Burnaby's four Community Police Offices. For more information, contact 604-294-7859.
