

CRIME PREVENTION TIPS

Public Safety involves partnerships between the public and the police. Always report suspicious persons or activities to the Burnaby RCMP

HOW MUCH WOULD YOU LOSE?

Do you have a complete household inventory of what you have in your house?

No person wants to think that their household, vehicle, or property is going to be broken into, but the Burnaby RCMP Crime Prevention Unit would like you to be prepared just in case.

The **Log It or Lose It App** is a handy **FREE** Vancouver Police and Simon Fraser University produced property inventory system for Apple products (iPhone, iPad, etc). This useful app can be found in the Apple store on your device. The app makes the inventory system easy and can be effortlessly transferred to a computer, external hard drive, or printed so it is always available and is in a secure place.

The aim is to record your property and valuables. If recovered by police, stolen valuables recorded in this app or another personal inventory can be returned in a timely manner to the rightful owner.

Check out the VPD created YouTube video for more information:

This app may be available for android devices in the near future; stay tuned. You can also use the attached scanned Inventory Sheet from the Block Watch Participant Manual.

RECORD IT DESCRIBE IT PHOTOGRAPH IT ENGRAVE IT REPORT IT

Serial Numbers or Unique Identifiers

**Always remember after everything else to
LOCK IT!**
