Main electrical permit must be issued before obtaining temporary current. (This permit is valid for a period not exceeding 120 days.)	
TEMPORARY CURRENT: (As per fee schedule) Amps: _____ Volts: _____ Phase: _____ Application made for a Temporary Current Permit is under the provisions of the Burnaby Electrical Bylaw No. 1974. I/We understand that this Temporary Permit is for the sole purpose of assisting in the completing of the building and that permission to occupy the said building is not authorized by this permit. I/We further assume full responsibility for the proper care and use of the energized equipment.	

"I hereby declare that the Provincial licence and/or certification is in effect and valid and that all other information contained in this application is accurate. I acknowledge that the City is relying on this declaration for issuance of permit. I further confirm that all work performed under this permit shall be done in accordance with all applicable City of Burnaby Bylaws and Provincial Regulations."

The information on this form is collected under the authority of the current Electrical Bylaw and in accordance with the Freedom of Information and Protection of Privacy Act. The purpose of the collection is to process your application for an electrical permit. It will be retained as record of your application and may be used to contact the parties involved in this project. If you have any questions about the collection and use of this information, please contact the Building Department at 604-294-7130.
