

I, _____ being the
owner of _____
(Legal Description)

Located on _____
(Civic Address)

As a condition of issuing the temporary use permit TUP # _____, provide to the City of Burnaby, this undertaking to:

- (a) demolish or remove the building(s) and/or structure(s) that are required to be removed or demolish pursuant to this Permit; and/or
- (b) restore the land, or a portion of the land described on this Permit to a condition and by the date specified in the Permit,

all of which shall be undertaken prior to expiration of this Permit.

I acknowledge that if I fail to comply with the undertakings described herein, the City by its employees or contractors, may enter on to the land described on the Permit and carry out the demolition, removal, or restoration at my expense, and that any securities submitted to the City pursuant to this Permit shall be forfeited to the City in payment of the cost of such demolition, removal, or restoration, with any excess to be returned.

This undertaking is attached to the temporary use permit TUP # _____ and forms part of the Permit.
