

# BURNABY FIRE DEPARTMENT ANNUAL REPORT 2023

## Acknowledgment

**Burnaby is located on the ancestral and unceded homelands of the hən̓q̓əmi̓n̓əm and Skwxwú7mesh Sníchim speaking peoples.  
We are grateful for the opportunity to be on this territory.**

## BURNABY FIRE DEPARTMENT PRIMARY RESPONSIBILITIES

Protecting the property, the safety and the well-being of the citizens of Burnaby

Providing all-hazards emergency response and rescue services, including motor vehicle incident rescue and hazardous material response

Providing comprehensive fire safety services

Providing fire code inspections and enforcement

Providing community education and support

Providing a high level of first response emergency medical care

Providing major emergency and disaster response

Fulfilling legislative responsibilities governing the operation of the Fire Department as required under the authority given by the British Columbia Fire Services Act, the Burnaby Fire Services Bylaw, British Columbia Fire Code and other related acts

## FIRE CHIEF'S MESSAGE

The Burnaby Fire Department has proudly been serving the City and its citizens since 1911. Our mission is to protect the lives and property of our citizens through the reactive emergency response operations of firefighting, rescue and medical aid and the proactive engagements of fire prevention, inspections, code enforcement and safety education.

The Burnaby Fire Department is the third-largest fire department in British Columbia, with 338 employees serving a population of 278,505<sup>1</sup> and protecting 98.6 square kilometres. The City includes four major quadrants, each consisting of a dense town centre area, high and low-density residential, large commercial and industrial business districts and significant dedicated parkland and green spaces.

The department is made up of five divisions, each staffed with highly trained and extremely motivated members focused on protecting our city. The City appreciates the commitment and efforts of our department members in supporting our citizens and enabling the excellent work of our first responders. Each division within the department is critical to our collective success. These divisions include:

- » suppression      » administration
- » prevention      » mechanical
- » training

The Burnaby Fire Department takes great pride in the many traits that make us a leading community-based service organization. These include:

- » an outstanding commitment to quality customer service
- » our belief that we are an important part of our community
- » our dedication to improving the safety and quality of life for the City's residents and visitors

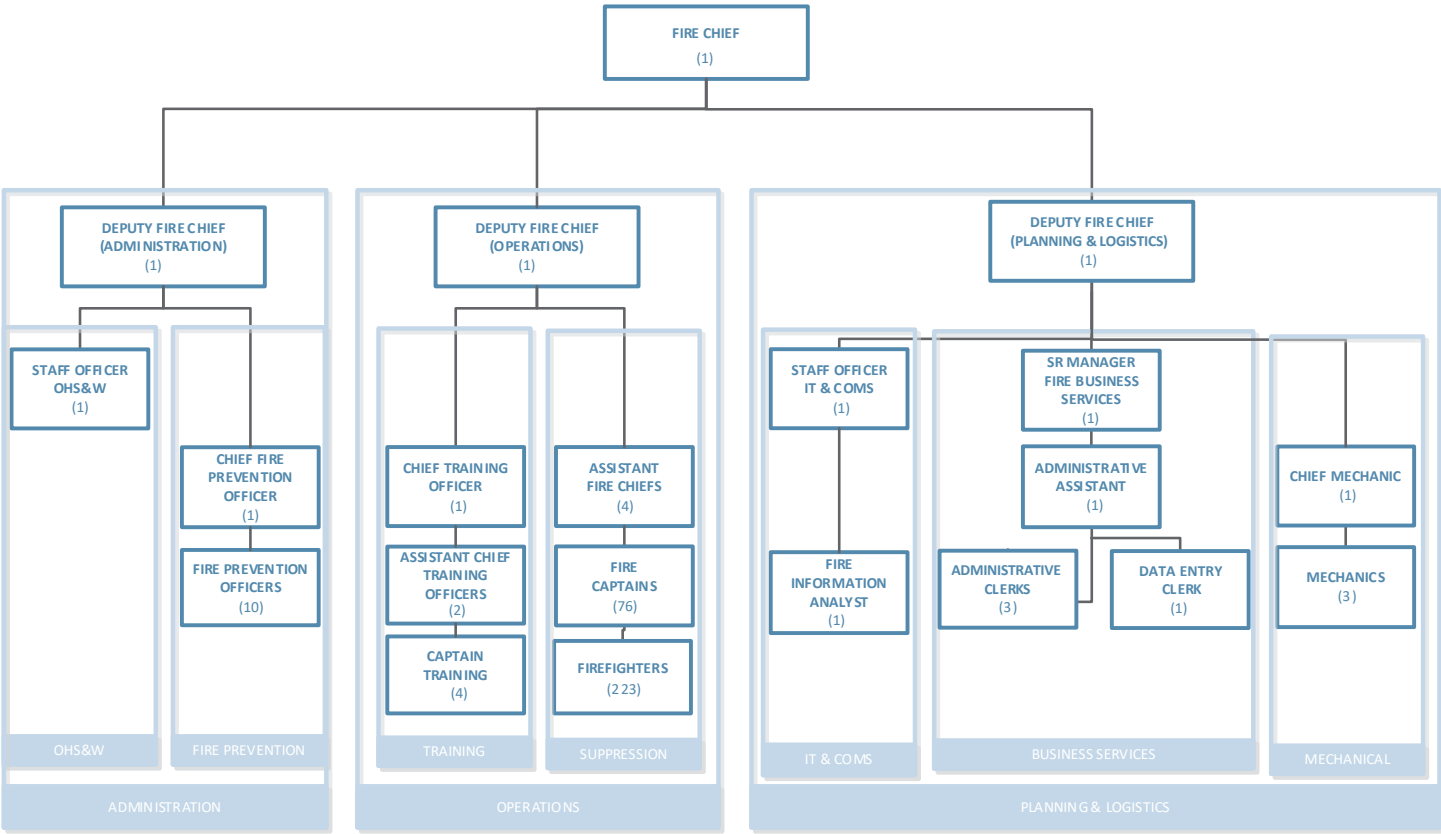

Our department has a long-standing history of providing quality service and programs to the community. We remain committed to providing enhanced customer care services in the future through enhanced collaborative community interaction with the City of Burnaby and Burnaby Firefighters Association Local 323.

We're ready to respond to your needs with trust, integrity, respect, teamwork and professionalism.

Chris Bowcock  
Fire Chief

## TOTAL FIRE LOSS BY CLASSIFICATION

## BURNABY FIREFIGHTERS' CHARITABLE SOCIETY

The Burnaby Firefighters Charitable Society is supported by over 330 dedicated members who raise money for our community and other non-profit organizations. The constant dedication from our membership allows us to provide support to people in our community every day by volunteering our time to assist those in need.

We know that protecting a community is not just about keeping lives and property safe but also helping people in need daily. Especially those dealing with health problems, disabilities, poverty, abuse, hunger, and other challenges. The Burnaby Firefighters Charitable Society raises funds to provide sizeable donations to many charitable and community organizations. We support Burnaby-based charities and other organizations in the lower mainland that share the same mission.

## 2023 Critical Programs delivered by Burnaby's Firefighters

### Nutritional Snack Program

In September 2005, the Burnaby Firefighters Charitable Society initiated a nutritional snack program at two of Burnaby's elementary schools and a community centre. In 2023, the program has expanded to include a total of 40 schools and 4 community centres in the city. Schools having a high proportion of students seeking nutritional support as a major concern, are provided nutritious snacks on a regular basis that are purchased and delivered by Burnaby's Firefighters. The teachers have reported great results from this simple program. Children are more focused and learning in the classroom has improved. We hope to continue to expand this program to other schools that are identified as having similar challenges.

### High School Cardio-Pulmonary Training Program

For many years, the Burnaby Firefighters Charitable Society has supported and provided cardio-pulmonary training (CPR) with Burnaby Firefighters teaching students in Burnaby's High Schools this important and critical life-saving skill.

CPR is a proven hands-on technique that can double a person's chance of survival from cardiac arrest. If CPR is started within four minutes of collapse and defibrillation is provided within 10 minutes, a person has a 40% chance of survival.

With over 20 years teaching in the Burnaby School District, our program has now expanded to all 8 of Burnaby's High Schools, with approximately over 1500 students receiving first-aid certificates a year.

### Notable Donations by Burnaby's Firefighters

\$133,000	Burnaby Hospital Foundation	\$10,000	PALS Autism Society
\$100,000	BC Cancer Foundation	\$10,000	Leukaemia and Lymphoma Society
