

BURNABY ZONING BYLAW BYLAW NUMBER 4742

This is an unofficial consolidation of Bylaw No. 4742. It contains the adopted metric units for measurements followed by their corresponding approximate imperial equivalent in brackets. Such bracketed figures are included for convenience only and do not form part of this Bylaw.

Organization of this Bylaw:

The Burnaby Zoning Bylaw is divided into a number of parts: Table of Contents, Sections, Zoning District Schedules, and Parking Schedules (as indicated on the bottom left-hand corner of each page).

Each section and schedule is page-numbered separately to allow for the insertion of replacement pages.
