

2020 Gas Code

The purpose of this bulletin is to clarify the implementation date of the 2020 Gas Code.

"This information is provided for convenience only and is not in substitution of applicable City Bylaws or Provincial or Federal Codes or laws. You must satisfy yourself that any existing or proposed construction or other works complies with such Bylaws, Codes or other laws."

The Province has recently adopted the 2020 Natural Gas and Propane Installation Code, CSA B149, 1:20 (Gas Code) as the BC Natural Gas and Propane Code.

Following are the implementation dates of the new code for permit applications:

Building Permit Applications accepted before 2022 December 01:

- All associated gas work (permits) shall conform to 2015 Gas Code regardless of the application date of the gas permits.

Building Permit Applications accepted on or after 2022 December 01:

- All associated gas work (permits) shall conform to 2020 Gas Code.

Standalone Gas Permit Applications accepted on or after 2022 December 01 that do not require a building permit:

- All gas work (permits) shall conform to 2020 Gas Code.
