On Collection Day

Set it out

Set out your garbage, green bin and recycling in the lane or street you normally use by 7 am on your collection day.

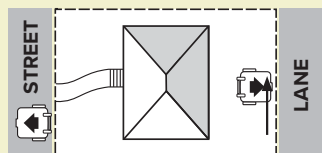

Do not place your containers out the night before collection.

Point it

Place containers so that the arrows on the lid point toward the centre of the lane or street (handles will face your property).

**STREET
PICK UP**

**LANE

Set container at edge of lane

Space it

Place your containers so that there is at least 1m (3ft) of space on all sides and 3m (10ft) of clearance above.

TOP VIEW

Bring it back in

Garbage bin, green bin and recycling containers must be removed off of the lane or street by 8 pm on your collection day and secured on your property.

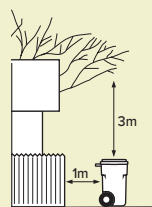

Keep it clean

Rinse your receptacles weekly with mild soap or vinegar/water mix (pour soapy water onto grass or gravel, never down an outside drain).

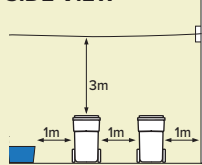

Waste collection during snow and ice conditions

Waste collection may be disrupted during snow and ice conditions. We will issue an advisory at facebook.com/cityofburnaby and on our collection app in the event of collection delays or canceled service.
