» [7.1 7564 Barnet Hwy \(Harry Jerome Sports Centre\) Facility Use Study](#)

City Council directed staff to issue a competitive, open-market process for the future use and operation of the City-owned Harry Jerome Sports Centre. This City-owned facility, located at 7564 Barnet Highway, opened in 1997 and has been leased to the same tenant for more than 20 years. The building has now reached an age where significant investment is required to keep it in a good state of repair, increasing the need to ensure any future arrangements for the facility offset that cost and reduce the burden on the taxpayer. Any interested parties—including existing operators—will be able to submit a proposal.

» [7.3 Language Translations in Burnaby](#)

City Council endorsed Phase 1 of the Translation Adoption Framework, which will guide the City's efforts to ensure City communications are accessible, given the incredible diversity of primary languages within Burnaby. During Phase 1, staff will develop a language translation plan for the City.
