Notes:

- The DCC program is authorized by City of Burnaby bylaw #14645 which was adopted June 24, 2024
- This report has been prepared in accordance with the Local Government Act, section 569: Annual development cost charges report
- The figures above are reported on a cash basis
- Expenditures included represent those funded by fees collected from developers and do not include expenditures funded through the City's own contributions

Other:

- 1) The Parkland Acquisition DCC program was expanded in 2024 to also include parkland improvements
- 2) Three area-specific DCCs in existence prior to 2024 have been discontinued, fees are no longer collected. The funds amassed will be spent on the projects they were collected for.
